

The Beatles

The Beatles were an English rock band formed in Liverpool, Lancashire in 1960. With the line-up comprising John Lennon, Paul McCartney, George Harrison and Ringo Starr, they are regarded as the most popular and influential band of all time. The group was integral to the development of 1960s counterculture and popular music's recognition as an art form. Rooted in skiffle, beat and 1950s rock and roll, their sound incorporated elements of classical music and traditional pop in innovative ways; the band later explored music styles ranging from ballads and Indian music to psychedelia and hard rock. As pioneers in recording, songwriting and artistic presentation, the group revolutionized many aspects of the music industry and were often publicized as leaders of the era's youth and socio-cultural movements.
